With the assistance of German Federal Government Commissioner for Culture and the Media

The Nation's Memory Institute in cooperation with Association Nation's Memory, City of Bratislava, European Network of Remembrance and Solidarity and Nordost Institute

has the honour to invite you on an international scientific conference under the auspices of the Mayor of Bratislava Mr. Andrej Ďurkovský

Phenomenon Bratislava

The goal of the conference therefore is to describe events that influenced the spirit of the city during the last century. Multiethnicity and uniqueness of the town gives good opportunity to research historical events and historical coherence, the development of social and demographic structures as well as religious and cultural heterogeneousness, repressive actions of totalitarian regimes against various groups of inhabitants and other socio-historical phenomena.

Date: September 21st – 22nd, 2010

Place: Primaciálny palác, Primaciálne námestie 1, Bratislava, Slovakia
